Fleet

Key Features

NTI's Fleet Motor Policy is specifically designed to keep Australian heavy motor vehicle fleets on the move.

We offer flexible and tailored insurance solutions for medium-large sized Australian transport businesses and their related activities. This includes comprehensive protection with a broad range of automatic additional benefits and optional extensions for Australia-wide fleets of prime movers, trailers, rigid trucks 3.5T GVM and over, plant and equipment, and buses. For peace of mind, we can also accommodate cars, utes, vans, and light rigids to keep all of your vehicles on the one policy.

Key Features of NTI Fleet:

- New vehicle replacement up to a maximum of 120% of the sum insured.
 - » 3 year replacement for most types of new Motor Vehicles and Mobile Plant that are a total loss
- Finance protection for total losses, up to an additional 25% of the lesser of market value or sum insured.
- \$2,500,000 standard cover for dangerous goods (*with DG limits up to \$50mil available*).
- Material Damage trailer in control cover of \$100,000 for a single trailer or a conjoined trailer combination
- Operator/driver psychological and trauma counselling up to \$20,000 for the insured or their employees to obtain professional counselling as a result of trauma following an accident
- Public relations/Crisis management up to \$75,000 to reduce or negate adverse publicity or public reaction following an accident.

Insuring your Fleet clients with NTI means:

- Cover by Australia's leading transport insurance specialist that has been designed in consultation with the trucking industry.
- Dedicated local contacts for sales, underwriting and claims service with expert knowledge of the transport industry and civil and earthmoving sector.
- Access to award-winning claims service, including NTI Accident Assist and NTI Premium Repairers, to manage the accident scene and repair process.
- Additional benefits for Transport Association members – with a portion of their premium re-invested back into their association.
- Combine with NTI Liability and other NTI products, such as Carriers Protect, to minimise gaps in cover.
- Peace of mind – NTI has five decades of experience in the transport insurance industry and a deep understanding of the challenges faced by Australia transport operators.
