

Transport Pack

Key Features

Transport Pack

Key Features

NTI's Transport Pack has been designed to meet the needs of Australia's truck owners. With the ability to package up to four products on one policy and backed by the only 5-star rated claims service in the segment, it provides the flexibility and peace of mind you've come to expect from Australia's number one truck insurance provider.

Key Features of NTI Transport Pack include:

- Ability to combine Commercial Motor, Liability, Carriers Protect (*NTI's carrier's cargo product*) and Downtime cover in one policy, helping to minimise gaps in cover.
- New Motor Vehicle Replacement within three years of original registration (*specialist body type within one year*) and new Mobile Plant replacement within the first three years.
- Finance Payout Protection – Total Losses: We may pay up to 25% above the lesser of Sum Insured or Market Value.
- Trailer in control (non-owned trailer) \$100,000 automatic cover. Additional covers also available.
- Automatic hold-covered for new items up to 45 days from the date of acquisition and for a value up to \$500,000 per item
- Enhanced Carriers Protect product provides extensive coverage and flexibility to meet your clients Carriers Cargo needs.
- Market leading Downtime cover for motor vehicles and trailers that puts your client in control by allowing them to determine their weekly benefit and duration of cover.

Insuring your Transport Pack clients with NTI means:

- Cover by Australia's leading transport insurance specialist, designed in consultation with the trucking industry.
- Dedicated local contacts for sales, underwriting and claims service with expert knowledge of the transport industry and civil and earthmoving sector.
- Easy to transact with policy coverage that helps to minimise gaps in cover.
- Available on Sunrise, where four products can be included in the one NTI Transport Pack policy – including NTI's Carriers Protect product liability.
- Access to award-winning claims service, including NTI Accident Assist and NTI Authorised Repairer Network, to manage the accident scene and repair process.
- Peace of mind – NTI has over 50 years' experience in the transport insurance industry and a deep understanding of the challenges faced by Australian transport operators and truck owners.
