# Commercial Boat Policy Wording

## Key benefits of the wording

- Comprehensive protection for many types of smaller, commercially-operated boats
- Easy to understand Accidental Damage Cover for your boat's Hull and Machinery
- A suite of Additional Benefits to widen Cover even further
- Optional Extensions available for Loss of Earnings, Third Party Liability including Pollution, and Passenger Liability – also written in plain language

## Designed for

- Australian owners of Australian-based boats
- Tourism boats: skippered charters, sightseeing, game fishing, small ferries
- Working boats: tugs, barges, workboats, tinnies, Council/SES boats
- Commercially owned small boats: rowing sculls, kayaks, canoes and their equipment for schools, churches or rowing clubs
- Third party liability for these smaller boats to Cover Personal Injury or damage to third party property, which can be extended to include Passenger liability and pollution
