

## YOUR POLICY PRE-START CHECKLIST

Specialist underwriting and claims teams are just the ticket to the game. You want an insurer that's with you from the start of your claim and repair - not just reimbursing you at the end.

## YOUR INSURER SHOULD...

| Provide in-house trades-qualified mobile plant and heavy motor Repair Managers to oversee the repair process  Provide access to an award-winning 24/7 accident assist program | Give you the option to protect your income in the way that best suits you:  Business Interruption cover Substitute Hire Costs Finance Payment Protection Ongoing Hire Costs |
|---|---|
| Have trading accounts with equipment manufacturers, distributors, and dealers so that repair process can begin as soon as the item is available                               | Provide optional extras, including:  Agreed value  Down hole cover  Extended dry hire   |
| Have an in-house parts procurement team so that we can supply the parts without you touching your credit card - even if you're doing the job!                                 | Provide standard features, including:   |
| Provide a lifetime guarantee on all authorised repairs  | <ul> <li>☐ Two year New for Old Replacement for mobile plant</li> <li>☐ Three year New for Old Replacement for motor vehicles</li> <li>☐ Finance Payout of 25%*</li> </ul>  |
| Give you automatic Goods on Hook cover*   | ☐ Dry Hire automatically included   |
