Piranha Real Deal Race Car in Transit and Storage

Class of customers description

Piranha Real Deal Race Car in Transit and Storage Insurance is intended for owners of competition vehicles from go karts through to V8 supercars and also includes some competition vessels, that will be transported anywhere within Australia, including while stored at the insured's primary place of residence and at the pit garage.

Insurance is required to be arranged with Piranha Insurance Brokers.

The customer's likely needs, objectives and financial situation, are aligned with the product and its key attributes and would like to be covered for:

- financial loss resulting from destruction, loss or damage to their goods in transit.

Product Description and Key Attributes

The policy has two coverage options available to protect the race vehicles and associated tools / spares / accessories / equipment for transit and storage at the insured's primary place of residence and at the pit garage:

1. Accidental Damage; or
2. Specified Events.

Key eligibility criteria

This policy does not cover:

- ✗ the insured's personal effects;
- ✗ recreational vehicles / bikes / buggies, which are not used for competition;
- ✗ merchandise;
- ✗ vehicles or vessels whilst racing or whilst being moved to/from the track;
- ✗ static only risk (no transit component);
- ✗ tools of trade and removal of debris for more than the sub limits noted in the policy.

Eligibility for cover is subject to risk acceptance criteria set by NTI which may change from time to time.

The Product Disclosure Statement contains the detailed policy cover, terms, conditions, additional benefits and exclusions.

Financial Situation

This product is suitable for customers who are able to pay the relevant premium having regard to their financial situation and the premium and excess structure.

Relevant financial situation considerations include:

Financial situation considerations	Choice of Cover	
	Accidental Damage	Insured Perils
Ability to potentially vary your premium by considering different levels of cover	Yes	Yes
Ability to potentially vary your premium by choosing your excess	No	No
Ability to choose to pay your premium Annually or by Instalment	No	No

Consistency with Target Market

The insurance product including its key attributes is likely to be consistent with the likely objectives, financial situation and needs of the class of customers in the target market, as we consider that it provides the required type of insurance cover for that class of customers.

This has been determined based on an assessment of the insurance product including its key attributes. Individual customers will need to consider whether this insurance product meets their specific objectives, financial situation and needs.

Distribution Obligations

How this product is to be distributed:

This product is designed to be distributed by Piranha Insurance Brokers an Authorised Representative of Aviso EIA Pty Ltd licensed insurance brokers who are currently authorised by NTI Limited to distribute this product.

Cover can only be issued to people where they are eligible for that cover in accordance with the application and/or acceptance/renewal criteria that has been approved in writing by the issuer and which complies with relevant laws. This is managed through the use of underwriting 'kick out' questions, training and monitoring.

The distribution conditions will make it likely that customers who acquire the insurance product are in the target market, as we consider that the distribution conditions are appropriate and will enable us and our third-party distributors to direct the insurance product to the class of customers who fall within the target market set out above. This has been determined based on an assessment of the distribution conditions and the target market.

Reporting obligations:

Significant Dealings about this product or TMD are to be notified by the Distributor to NTI within 10 business days of becoming aware that the product is not consistent with the TMD.

Details of any other complaint(s) must be reported at the agreed periodic reporting date or at least on a quarterly basis. Minimum (but not limited to) information to be provided:

- Dates – i.e. received, responded to, resolved etc.
- Type of Complaint – i.e. policy, claim, acceptance, decline, TMD appropriateness.
- Reason for Complaint – i.e. exclusion, acceptance, denial of claim.
- Details of Complaint – information so NTI can understand and consider the matter further. It is expected that any information relating to the initial enquiry giving rise to the claim will be included.

These reporting requirements do not replace or change the obligations of a Distributor to report complaints about this Product in accordance with legislative and regulatory requirements.
